1. God of love and truth and beau - ty, hal - lowed be thy name;
2. Lord, re - move our *guil - ty blind - ness*, *hal - lowed be thy name*;
3. In our wor - ship, Lord most ho - ly, hal - lowed be thy name;

fount of or - der, law, and du - ty, hal - lowed be thy name.
show thy heart of lov - ing kind - ness, *hal - lowed be thy name*.
in our work, how - ev - er low - ly, hal - lowed be thy name.

As in heav'n thy hosts a - dore thee, and their fa - ces veil be - fore thee,
By our heart's deep - felt con - tri - tion, *by our mind's en - light - ened vis - ion*,
In each heart's im - ag - in - a - tion, in the Chur - ch's a - dor - a - tion,

so on earth, Lord, we im - plore thee, hal - lowed be thy name.
by our will's com - plete sub - mis - sion, *hal - lowed be thy name*.
in the con - science of the na - tion, hal - lowed be thy name.
